MESSAGE

Prof. J. N. Shrivastava

VICE CHANCELLOR

It gives me immense pleasure to welcome you all to this new academic session of Manav Bharti University. We at MBU strive very hard to inculcate in our students the true values of life and professional ethics. The curriculum has been so designed that the students learn not by rote but by participation and interaction. We encourage our students to understand WHAT, WHY and HOW.

Manav Bharti University has created a name for itself in its short span of existence and today, we are known for our innovative approach of imparting education through well equipped and futuristic classrooms. We have a competent team of highly skilled and dedicated faculty members, who teach more out of enthusiasm than as a profession.

At MBU we welcome students who want to achieve their life's goals and we assure the parents that when they send their children to MBU they would get truly educated citizens back from us.

I also congratulate all the stakeholders who completed their studies this year.

Come join us, as we walk forward together on this exciting journey of self realisation and value based education.

JAI HIND

Prof. K. K. Singh

REGISTRAR

Education is a very important contributing element to both social mobility and economic developments. At this time of globalisation, quality becomes a dominant factor of success in every sector of the economy and this includes quality in the provision of education. Without education one will find it difficult to succeed in life and cannot face the challenges of the new millennium.

Quality education is a continuous and conscious process aiming at academic excellence. It can be ensured through quality assessment that the institution is doing what it claims to have been doing. It is pertinent that an institution evolves internal processes for self-analysis and assessment enabling self monitoring for quality improvement. Such processes keep the institution alert to the emerging role in the fast changing environment.

Manav Bharti University, Solan is fully conscious about its role in the nurturing and growth of technical education in this part of the country. The whole credit goes to the Chairman and his dedicated team efforts.

DISCOVER THE CAMPUS

Academic Blocks

MBU has large and spacious Academic Blocks with fully furnished class rooms having ample seating capacity, state of the art equipments with multimedia and other audio visual electronic gadgets and teaching aids. The blocks comprises of class-rooms, laboratories, lecture halls and seminar halls with sound amplifying systems. Five large academic blocks, Central Library, Administrative Block comprising of 6 storeys and 4 storeys workshop (for engineering courses).

The e-library has on access for reference to latest publications of research journals / material and information through 100 computers all connected through LAN.

Hostel

We understand that most of our students are moving out from their home for the first time, so we strive to make the transition as smooth as possible by offering comfortable and safe hostels within the campus. The University Campus provides a comfortable hostels for the students (Boys & Girls) each having space to accommodate more than 600 students.

Hostels have been designed to accommodate students as per their choice in a single bedded cubicle room, double bedded and triple bedded rooms. Each room has been provided with an almirah, table, chair and a cot. Water Heaters, Water Coolers and Water Purifier are provided in the hostels. University hostels have a common room facility for TV viewing and indoor games facility and a dining hall having ample space.

The University has a cafeteria to accommodate 200 people at a time for breakfast, lunch, dinner etc. with separate arrangement for teachers, staff, students and visitors. The University provides a pollution free environment to the students.

Cafeteria

There is a very nice and quite spacious separate cafeteria in the premises for students and staff.

Students throng the cafeteria and help themselves to a variety of tasty foods which of course comes at a very nominal rates.

The quality of edible items is checked regularly.

Auditorium

The University has an eye catching auditorium with sitting capacity of about 500 people. It is equipped with high end projection facility, Public Address Sound System etc. for organizing conferences, symposiums, workshops, seminars & other rigorous academic and cultural activities.

Campus Clinic

The University campus clinic has doctors, nurses, councilors and psychologists. Round the clock health care assistance is available for students, staff and faculty. MBU campus has one fully equipped ambulance to facilitate swift medical service in case of emergency.

Bank

A proposal for opening a branch of a Nationalized Bank and a 24 hour ATM has been installed and is under active consideration of the Governing Board of the Bank. It is expected an ATM is likely to be installed in the University Campus during this session.

Sports Facility

It is our constant endeavor to see the students grow intellectually and physically. To facilitate these sports grounds for Volley Ball, Basket Ball, Lawn Tennis Court, Badminton Courts, Table Tennis Courts etc. are provided. Efforts are on to develop grounds for playing games like hockey and football.

A COMPLETE UNIVERSITY EXPERIENCE
